SINCHAO METALS CORP. CLOSES FIRST TRANCHE OF \$6,000,000 FINANCING

VANCOUVER, BRITISH COLUMBIA – Sinchao Metals Corp. (“Sinchao Metals” or the “Company”)(TSX-V: SMZ) is pleased to announce that it has completed the brokered portion of its previously announced private placement of units (the “Units”) which consisted of 10,000,000 Units at a price of \$0.40 per Unit for aggregate gross proceeds of \$4,000,000. PI Financial Corp. (the “Agent”) acted as agent for the brokered private placement and in consideration of its services received a commission of 700,000 units with the same terms as the Units. In addition, the Agent received compensation options (the “Compensation Options”) equal to 9% of the number of Units sold under the offering. Each Compensation Option will entitle the Agent to purchase one common share of the Company for a period of two years from the closing date at an exercise price of \$0.45 per common share. The private placement is subject to the final approval from the TSX Venture Exchange.

Each Unit is comprised of one common share of the Company and one-half of one common share purchase warrant (a “Warrant”). Each whole Warrant is exercisable into one additional common share of the Company (a “Warrant Share”) for a period of two years from the closing date of the private placement at an exercise price of \$0.60 per Warrant Share except that if over a period of 20 consecutive trading days between the date that is 4 months following the closing date and the expiry of the Warrant, the daily volume weighted average trading price of the Company’s common shares on the TSX Venture Exchange, or such other stock exchange where the majority of the trading volume occurs, exceeds \$1.50 on each of those 20 consecutive days, the Company may give notice in writing to the Warrant holders within 30 days of such an occurrence that the Warrants shall expire at 4:00 p.m. (Vancouver time) on the 30th day following the giving of such notice unless exercised by the holders prior to such date. All securities issued in connection with the private placement are subject to a four month hold period in Canada which expires on March 21, 2008.

The second tranche of the \$6,000,000 private placement announced October 29, 2007 will be a non-brokered private placement with Andean American Mining Corp. for 5,000,000 Units at a price of \$0.40 per Unit for aggregate gross proceeds of \$2,000,000. The aggregate gross proceeds of the brokered and non-brokered portions of the private placement will be \$6,000,000.

The net proceeds from the offering will be used to finance further exploration of Sinchao Metals’ Sinchao Project, located in northern Peru, and for general working capital. “This successful financing will provide the additional capital to advance our exploration and drilling activities,” stated President Andrew Gourlay. “In particular, we look forward to providing further drill results as they are received and moving towards identifying inferred resources on the property.”

On behalf of Sinchao Metals Corp.,

“Andrew Gourlay”
